
Herbert Magid

Herbert Magid is a Managing Partner of EIF and a member of its Board, Executive and Investment Committees. He was one of the original founders of EIF in 1987, and has over 30 years of experience in the financing, development, and operations of power assets in the energy industry. Mr. Magid is responsible for the overall investment, asset management, strategic planning, and operations of the Firm and the funds it manages. Previously, Mr. Magid was a Senior Investment Officer of John Hancock Mutual Life Insurance Company, and a Licensing Engineer for the construction of electric power plants with United Engineers & Constructors. He received his MBA degree from Cornell University and his BA degree from Colby College.
