

Jim Lang

Jim Lang is an accomplished senior executive, consultant, and entrepreneur with broad industry expertise in business services, energy and healthcare. He is currently CEO of Decision Resources Group, a leading provider of healthcare data, analytics, and insight products and services. DRG was recently sold to the Piramal group for \$635 million and continues to be an active acquirer. Previously, Mr. Lang was the President of IHS Cambridge Energy Research Associates (IHS CERA), the recognized leader in energy industry subscription information products, advisory services and events. Prior to IHS CERA, he was President of Strategic Decisions Group (SDG), a leading global strategy consultancy, spending 17 years advising a wide range of global 1000 companies. Mr. Lang remains an active private investor and advisor, providing seed and growth capital to companies in the healthcare, clean tech, and business services space, and he serves on a number of boards. Mr. Lang holds a B.S. summa cum laude in electrical and computer engineering from the University of New Hampshire and an M.B.A. with Distinction from the Tuck School of Business, where he was named an Edward Tuck Scholar.
